"Great two days stay"

★★★★★ Reviewed 2 January 2017

We booked the whole house for 2 nights over New Years. The house is amazingly well planned and maintained. All the adults as well as kids thoroughly enjoyed the stay and all facilities. Very well located.

Very useful and fun outdoor area with man cave. Will definitely come back again next year.

Stay Social,

Thank you for a wonderful and most comfortable little oasis during my stay whilst performing at the Bendigo Blues & Roots Festival. It's easy to see so much thought, care and love has gone into your fine hotel-home.

Comfy beds, toiletries, top security, kitchen supplies, internet, abundant garden, inspiring social lounge area, and so much more. I will be back again if your are not booked out!

Muchas gracias,

Abbie Cardwell

"Everything has been thought of"

★★★★★ Reviewed 5 January 2017

A home away from home. I stayed here for 10 days and found it to fantastic. Everything has been thought of and it offers the perfect mix of being central to town and all the pubs, cafes, shops etc. while also being a fantastic, relaxing place to go back to and relax

"Home away from home"

Reviewed 21 November 2016

We loved our three night stay at Stay Social. We made the most of the lovely communal living area and ate in all three nights. It was extremely well equipped. The owners have thought of everything. I liked that there was no tv in the living dining area. Instead the tv lounge was in a separate room out in the garden. We enjoyed fresh eggs from the free range chooks in the back yard, and lettuce and herbs from the garden. The twin bed room and our bathroom were well equipped and very clean. Very comfortable beds too. And high quality linen. I look forward to another stay if I do visit Bendigo again. Very handy to the town centre and to the movie theatres too.

Highly recommend this fantastic place to stay in Bendigo!

☺ The whole place was spotlessly clean. The bed was comfortable... I had a great sleep. Best appointed kitchen I have ever seen! This place is a gem!! Ultra modern and very modern locks on doors.

☹ I was amazed at the quality. Nothing at all to complain of.

Hi Kelly-anne Thanks for your wonderful review and so glad you enjoyed it. We have two large LED TVs in The Sunroom and The Hangout for guests to enjoy as well as free WIFI throughout for guests personal devices. In the interests of social interaction we don't have TVs in individual bedrooms. We hope to see you again soon. Regards Chris Owner - Stay Social
